Last week, Colby Chamberlin presented Pat Potter from Goodwill Industries. Pat reviewed several programs that are supported by Goodwill.

- Wheels-to-Work program assists in removing the transportation barrier and helps people get to work. Reliable transportation can often make a difference between getting a job and keeping a job. To donate a used but dependable vehicle, call (330) 264-1300 x241 or email [wheels@woostergoodwill.org](mailto:wheels@woostergoodwill.org)
- Donations to Goodwill support local communities and become part of the donation cycle. If donated items cannot be sold in the thrift store, it will be recycled.
- Assist others with barriers to employment that may include disabilities, limited work history, lay-offs, limited skills, seniors, and unemployment.
