The Rotary Foundation is a not-for-profit corporation that supports the efforts of Rotary:

To achieve world understanding and peace through international humanitarian, educational, and cultural exchange programs. It is supported solely by voluntary contributions from Rotarians and friends of the Foundation who share its vision of a better world. Annual donations can be made online or through our club as single gifts or quarterly billing by cash, check, credit/debit card, and automatic withdraws. You can also become a benefactor by including the foundation in your end of life planning. For more information contact Wilma Raynor.

The Rotary Four-Way Test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Excellence is the result of:
Caring more than others think is wise;
Risking more than others think is safe;
Dreaming more than others think is practical;
Expecting more than others think is possible.

This is what it is to be a Rotarian:
Excellent!

Funding travel through the Rotary Miles program

Rotarians' generosity and involvement in humanitarian projects go beyond borders. But making international service happen involves travel, which can be expensive.

[Volunteer Service Grants](#) can be one way Rotarians can finance travel to humanitarian projects. The Rotary Miles program is another.

Through the United Airlines' Mileage Plus Charity Miles program, Rotarians can receive free airfare for club and district humanitarian work. Read about how the Gift of Life program uses donated miles to bring children to the United States for lifesaving heart surgeries.

[How to contribute miles](#)

Anyone can donate United Airlines miles through the Humanitarian Miles program. Instead of

expiring, your unused miles will be used for service projects. [Learn more.](#)

How to participate

Rotarians can work with the Rotary International Travel Service (RITS) to collect airline miles from their community for a specific project. This approach is similar to a fundraiser, except Rotarians collect United Airlines miles instead of money. Donations must be in 1,000-mile increments.

Clubs or districts interested in receiving miles through this program should appoint a Rotary Miles program manager, who needs to provide the following information to the RITS travel manager (by e-mail, fax, or mail):

- Humanitarian purpose of the program/project
- Number of desired airline tickets
- Anticipated travel dates

For clubs or districts interested in collecting miles in their community for a project, the Rotary Miles program manager should take these additional steps:

1. Give the RITS travel manager an approximate time frame for donation collection.
2. Gather and report donations to United on the [Rotary Miles donation form](#) (PDF), and follow the instructions listed on the donation form while retaining a copy for the club's records.
3. Send the [donation summary form](#) (PDF) to the RITS travel manager to get tickets once the club has received enough miles.
4. Notify the RITS travel manager of the airline record locator number after United Airlines verifies the donations. Tickets will be issued by RITS and sent to the Rotary Miles program manager.

Required miles for Mileage Plus economy class
round-trip tickets

Domestic US	25,000 miles
US to Central America,	35,000 miles
Peru, Venezuela	50,000 miles
US to Europe	50,000 miles
US to South America	60,000 miles
US to Asia Pacific	60,000 miles

Securing Mileage Plus space can be difficult during popular travel times. In these cases, the Rotary Miles program manager should plan on using standard award tickets, which require about 50 percent more miles. See the [complete list of mileage requirements](#) on the United Airlines Web site.
