Rotary Youth Leadership Awards
(RYLA) is Rotary's leadership
training program for young people.
RYLA participants can be ages 14-
30, but most clubs and districts
choose to focus on a narrower age
range, such as 14-18 or 19-30.

RYLA emphasizes leadership,
citizenship, and personal growth,
and aims to

- Demonstrate Rotary's respect and
concern for youth

- Provide an effective training experience for selected youth and potential leaders
- Encourage leadership of youth by youth
- Recognize publicly young people who are rendering service to their communities

Rotary Youth Exchange student, you'll spend up to a year living with a few host families and attending school in a different country.

Whether you participate in Rotary's long-term or short-term Youth Exchange programs, you'll learn a new way of living, a great deal about yourself, and maybe even a new language. You'll also be an ambassador, teaching people you meet about your country, culture, and ideas. You can help bring the world closer – and make some good friends in the process.

More than 8,000 young people each year have experiences like these through Rotary Youth Exchange. It's the opportunity of a lifetime.

Rotaract is a Rotary-sponsored service club for young men and women ages 18 to 30. Rotaract clubs are either community or university based, and they're sponsored by a local Rotary club. This makes them true "partners in service" and key members of the family of Rotary.

As one of Rotary's most significant and fastest-growing service programs, with more than 7,000 clubs in about 163 countries and geographical areas, Rotaract has become a worldwide phenomenon.

All Rotaract efforts begin at the local, grassroots level, with members addressing their communities' physical and social needs while promoting international understanding and peace through a framework of friendship and service.

Rotaractors may also

- Assist in organizing [Interact](#) clubs or mentor Interactors
- Participate in [Rotary Youth Leadership Awards](#)
- Become Rotary Foundation [Ambassadorial Scholars](#) or [Group Study Exchange](#) team members
- Seek membership in their local Rotary club
