The Party's in Orrville!

Youth Exchange Overnighter Features Everything But Sleep.

They came from Brazil. They came from France, from Australia, from Taiwan, from India. They glow-bowled in the dark, danced, ate pizza and ice cream, shot hoops, played soccer, and channeled energy from 6 continents into the annual Orrville Rotary youth exchange overnighter on Friday May 9. Hosted at the Orrville Area Boys and Girls Club and at Parkview Lanes, Orrville Rotary's all-night party drew over 45 inbound and outbound Rotary exchange students from Eastern Ohio. For the foreign students, it was a bittersweet gathering, the last of 10 monthly get-togethers and the final time they would all be together before their year in the United States ends. Orrville Rotary distributed T Shirts to commemorate the event and markers to autograph them year book style. This year's event even featured an exchange student alumnus...Johannes Kutsam, Orrville's 2001/2002 Rotary exchange student from Austria was in town for a visit and dropped in on the festivities. Orrville will host a Rotary exchange student from Slovakia in the coming school year. The overnighter was coordinated by Amelia Laing and the Orrville Rotary International Avenue of Service. For more information about traveling abroad as a Rotary exchange student, contact Orrville Rotarian Jack Runion at 330-465-5396.

Inbound and Outbound Exchange Students Enjoy the Orrville Rotary Youth Exchange Overnighter.

Orrville Rotary organized the May 19th meeting for the Orrville Jelly Seniors Group. The meeting was held at Orrville Pointe on Crownhill Road, who provided the meeting room and delicious appetizers. Picture is Walt Jordan, who gave a presentation of World War II Big Band music.

The Orrville Rotary Club annually awards \$200.00 scholarships to two Orrville seniors whose high school career and volunteer service activities best exemplify the Rotary 4-Way Test. The 4-Way Test includes:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

These awards were presented at the Orrville High School Senior Assembly on Friday, May 16 to Roberta Williams and Bethany Diehl. Roberta Williams is the daughter of Ron and Benita Williams and plans to attend Baldwin-Wallace in the fall. Williams is an outstanding English, Foreign Language, and Music student and has been active in her youth group at Dove Outreach Center. Bethany Diehl is the daughter of Doug and Cheryl Diehl and plans to attend Kent State University in the fall. Diehl has also been an outstanding student, played softball, and been involved with yearbook, symphonic choir and her youth group at Christ United Church of Christ.

Congratulations to both award winners!

Safeguarding Our Future

Rotary President Nadine Landaw and Wayne County Family and Children First Coordinator Cameron Maneese

Wayne County Family and Children First Council (FCFC) plays a critical role in the well being of our county's children. Mandated by State of Ohio law, the FCFC mission is to promote coordination and collaboration among local government, non-profit organizations, businesses and parents for the benefit of Wayne County's children.

Cameron Maneese, LSW, coordinates the Council and Rotarian Helen Meyers is Council Chair this year. FCFC works in collaboration with the all aspects of the community including the county's school systems, nonprofit agencies, juvenile court, children's services, job and family services, county commissioners, department of youth services, the health department and parental representatives.

The FCFC is funded by the State of Ohio, members of Council contribute toward the administration based on their ability to give, the Mental Health and Recovery Board typically contributes in-kind and lastly, grants add to the Council's support.

Our Family and Children First Council exists to promote healthy children, healthy families and thriving communities. Some of the FCFC initiatives are: Help Me Grow, Growing Together, Healthy Start, Partnership for Success, Diversion, Project SAFE and Safe Communities.

In February, Cameron was part of a team from Wayne County that traveled to Honduras with CAMO (Central American Medical Outreach). This trip was to establish a community collaborative to address the issue of family violence. Sharing the expertise gained here about health and social issues with those internationally is a first for the Council. To learn more about Wayne County's Family and Children First Council, visit their web site at www.waynecfc.org.
