rotary Make-up

No we are not selling make-up as a fundraiser, rather it is a way to make-up a missed Rotary meeting. It's easy, quick and you can do it on your own time. Just click on the link below and read one of the many online rotary programs for approximately 30 minutes. When finished, simply fill out a brief response form and then forward to Barbara Wyant so you can get credit for a meeting attended.

The ABC's of Rotary

RI World Headquarters

The headquarters of Rotary International always has been in the Chicago area. The first seven offices were located in downtown Chicago, but in 1954 Rotary built a new building in suburban Evanston, Illinois. The building met the needs of the Secretariat until the 1980's, when the addition of new programs, the growth of the Rotary Foundation, and the new PolioPlus activities exhausted space in the headquarters building and required some staff members to operate in supplementary office space nearby.

In 1987, a modern office building that appeared to meet all of Rotary's space and future expansion needs became available in downtown Evanston. Built in 1977, the 18-story glass-and-steel structure provides nearly 400,000 square feet of office and usable space. The building was purchased by Rotary International, which leases nearly half of the space

to commercial tenants until needed by future Rotary growth.
