QUOTES :

- * It doesn't matter which side of the fence you get off on sometimes. What matters most is getting off. You cannot make progress without making decisions
- * The twin killers of success are impatience and greed.
- * What you do every day should contribute to giving your life meaning. If it doesn't, why are you doing it?
- * Enthusiasm is the match that lights achievement.
- * Continuous effort—not strength or intelligence – is the key to unlocking our potential.
- * A clay pot sitting in the sun will always be a clay pot. It has to go through the white heat of the furnace to become porcelain.
- * Nothing great was ever achieved without enthusiasm.
