QUOTE :

* Friend, you cannot legislate the poor into freedom by legislating the wealthy out of freedom. And what one person receives without working for, another person must work for without receiving. The government cannot give to anybody anything that the government does not first take from somebody. And when half of the people get the idea they don't have to work because the other half are going to take care of them, and when the other half get the idea it does no good to work because somebody's going to get what I work for. That, dear friend, is about the end of any nation. – The Rev. Dr. Adrian Rogers, Memphis, TN 1984

We served a total of 490 adults and 94 Children. Thanks to all who helped sell tickets and worked at the event!
