QUOTES :

- * Many people like to think that they'll find balance AFTER they find success. But in reality, achieving balance IS success.
- * People are a lot like speed bikes. They have many gears but most are often unused.
- * The miracle of the seed and the soil is not available by affirmation; it is only available by labor.
- * Work and play are the same. When you're following your energy and doing what you want all the time, the distinction between work and play dissolves.
