QUOTES:

- As simple as it sounds, we must all try to be the best person we can: by making the best choices, by making the most of the talents we've been given.
- Freedom is actually a bigger game than power. Power is about what you can control. Freedom is about what you can unleash.
- Keep true, never be ashamed of doing right. Decide on what you think is right, and stick to it.
- Everything has its wonders, even darkness and silence, and I learn, whatever state I may be in, therein to be content - Helen Keller
- I long to accomplish a great and noble task, but it is my chief duty to accomplish small tasks, as if they were great and noble. - Helen Keller
- Everything's in the mind. That's where it all starts. Knowing what you want is the first step toward getting it.
