QUOTES:

- Be faithful in small things because it is in them that your strength lies.
- Faith indeed tells what the senses do not tell, but not the contrary of what they see. It is above them and not contrary to them.
- Faith has to do with things that are not seen and hope with things that are not at hand.
- Faith consists of believing when it is beyond the power of reason to believe.
- Every tomorrow has two handles. We can take hold of the handle of anxiety or the handle of faith.
