The Rotarian and the World Magazine Press

The month of April is designated as Rotary's Magazine Month, an occasion to recognize and promote the reading and use of the official RI magazine, The Rotarian, and the Rotary regional magazines, which make up the Rotary World Magazine Press.

The Rotarian has been around since 1911 as the medium to communicate with Rotarians and advance the program and Object of Rotary. A primary goal of the magazine is to support and promote key programs of Rotary. The magazine also disseminates information about the annual RI theme and the philosophy of the RI president, major meetings, and the emphasis of the officially designated months on the Rotary calendar.

The Rotarian provides a forum in which both Rotary-related and general interest topics may be explored. The magazine serves as an excellent source of information and ideas for programs at Rotary club meetings and district conferences. Many articles promote international fellowship, goodwill, and understanding. Regular readers usually have superior knowledge of the activities of Rotary and understand how each Rotarian may be more fully involved in the four avenues of service around the world.

In addition to The Rotarian, the Rotary World Magazine Press includes 30 regional magazines printed in 23 languages with a combined circulation of more than 750,000. Although each regional publication has its own unique style and content, all provide Rotarians with up-to-date information and good reading in April – and all throughout the year.
