The ABC's of Rotary

World Understanding Month—

February is World Understanding month on the Rotary calendar. The month also includes the anniversary of the first meeting of Rotary, held on 23 February 1905, now designated World Understanding and Peace Day.

The RI Board asks all Rotary clubs to observe World Understanding Month by planning programs for their weekly meetings and undertaking special activities to emphasize "understanding and goodwill as essential for world peace."

In February, many clubs arrange for international speakers, invite youth exchange students and international scholars from schools and universities to club meetings, plan programs featuring former Group Study Exchange team members, arrange discussions on global issues, present entertainment with an international cultural or artistic theme, or plan other programs with an international emphasis.

Many clubs take the opportunity to launch an international service activity or make contact with a Rotary club in another country. February is also a good time to initiate a Rotary friendship exchange or encourage support for Rotary Foundation programs.
